But he forgot to make the box sink, and eventually the daughter has a son who is very strong. That grandson attends the Olympics in Tokyo, but Monkey 1920 had caught dysentery when trying to reunite with his

Monkey 1917 decided to star in the Oscar-winning film with the same name (1917). But the fame got to his head and he died of a drug overdose.

Monkey 1850 killed monkeys with the help of his friends 1845-1849 (I'm not saying I've killed them, next person has 1849) killed monkeys 1851-1899 and then proceeded to commit suicide.
