The sounds of the approaching thunderstorm....I was just about ready to ride my bike because it was getting sunnier, too, and then by the time I was outside I noticed it looked like a thunderstorm rolling in.

Edit: Aaand it got quiet, Lame.

Slow, mellow songs are good for listening to while playing a video game while posting. Especially long songs, though this song isn't very long. After this album I'll go through all the long songs by Johann Johannsson.
