Ugh, stupid heat. It rained, and poured for a couple days than went back to being warmer than average, in the 80's every day. This summer sucks up here ☐ Especially with no pool...

Unkle-The Answer Ft. Big in Japan

I think this bands stronger on a song-by-song basis, except for one album I like as a whole.

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.
