You are an astute observer. This may sound weird to some, but that kind of music keeps me going. Overly happy music more often than not depresses me, for many times it seems hollow and lacking a certain intrinsic quality. As Therapy? once said: *happy people have no stories*. Also:

The Reformist Military Republic of Serkin.

Led by Commander Manuel Carvajal, Serkin is a nation with an anti-neko policy, after the victory of the Reformist Faction in the Serkinian Civil war, against the Monarchists and Communists.

This is all I can tell you for now.

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.
