Quite well known, more than me these days by a fair bit. 8/10 at least in F7, that being said I've seen them in other forums too.

"How well known is the AN" does not equal "how often have you seen AN?"

There could be plenty of nations you haven't seen that are very well known in other circles of NS. For example, you could be new to the forums and not see any nations that often, but that doesn't mean they're not well-known. Noting a nation's founding date and number of forum posts should give you an idea of how well-known they are.

How well-known could a Cyptopir know if a Cyptopir could know well?

hmm... that was nonsensical... but the signature that inspired it is a regular sighting that many will recognise - I declare Cyptopir to be officially well-known!
