Guess where AN is from in real life!

by **KiraKira Land** » Tue Feb 27, 2018 8:27 pm

Simple, say what country you think the above user is from in real life! You can be specific and add a region or even a city too, if you like.

AN is non-existent so they are from.. The Matrix, or something.

The Liamese Empire is a Conservative, Imperialist, Celtic nation with a large Christian population.

P.S. The symbol on my flag is not the triforce, It is supposed to be a symbol of the trinity, the star in the middle represents the Empire.
