Elton John - The Last Song
From *The One* (1992)

*Things we never said come together
The hidden truth no longer haunting me
Tonight we touched on things that were never spoken
That kind of understanding sets me free*

*'Cause I never thought I'd lose, I only thought I'd win
I never dreamed I'd feel this fire beneath my skin
I can't believe you love me, I never thought you'd come
I guess I misjudged love between a father and his son*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

The Notorious B.I.G. - Hypnotize
From *Life After Death* (1997)

*Biggie Biggie Biggie can't you see
Sometimes your words just hypnotize me
And I just love your flashy ways
Guess that's why they broke, and you're so paid (uh)*

*Biggie Biggie Biggie (uh-huh) can't you see (uh)

Coldplay - A Sky Full of Stars
From *Ghost Stories* (2014)

*'Cause you're a sky, cause you're a sky full of stars
I'm gonna give you my heart
'Cause you're a sky, cause you're a sky full of stars
'Cause you light up the path*

*I don't care, go on and tear me apart
I don't care if you do
'Cause in a sky, cause in a sky full of stars
I think I saw you*

*'Cause you're a sky, cause you're a sky full of stars
I want to die in your arms, arms
'Cause you get lighter the more it gets dark
I'm going to give you my heart*

*And I don't care, go on and tear me apart
And I don't care if you do
'Cause in a sky, cause in a sky full of stars
I think I see you
I think I see you*

Because you're a sky, you're a sky full of stars

*Such a heavenly view
You're such a heavenly view*

From *OK Computer* (1997)

Taking off and landing*

Neil Young and Crazy Horse - My My, Hey Hey (Out of the Blue)
From *Rust Never Sleeps* (1979)

*My my, hey hey
Rock and roll is here to stay
It's better to burn out than to fade away
My my, hey hey*

*Out of the blue and into the black
They give you this but you paid for that
And once you're gone, you can't ever come back
When you're out of the blue and into the black*

*The King is gone but he's not forgotten
This is the story of a Johnny Rotten
It's better to burn out than it is to rust
The King is gone but he's not forgotten*

*Hey hey, my my
Rock and roll can never die
There's more to the picture
Than meets the eye*

*Hey hey, my my
Rock and roll can never die
Hey hey, my my
Rock and roll can never die*

U2 - Every Breaking Wave
From *Songs of Innocence* (2014)

*Every sailor knows that the sea
Is a friend made enemy
And every shipwrecked soul knows what it is
To live without intimacy*

*I thought I heard the captain's voice
But it's hard to listen while you preach
Like every broken wave on the shore
This is as far as I could reach*

*If you go
If you go your way and I go mine
Are we so
Are we so helpless against the tide
Baby, every dog on the street
Knows that we're in love with defeat
Are we ready to be swept off our feet
And stop chasing every breaking wave*

Iron Maiden - Speed of Light From *The Book of Souls* (2015)

*Another time, another place
A hollow universe in space
I took a trip to see the sights
That will be black over a night
One way ticket now returned
My shootin' stars are vastly burnt
On the edge that we can't see
Let's shoot the moon, you and me
And that particular you'll see
A just too lonesome galaxy*

*Shadows in the stars
We will not return
Humanity won't save us
At the speed of light
Shadows in the stars
We will not return
Humanity won't save us
We're slippin' through the night*

*I hear the train a comin'
It's rollin' 'round the bend,
And I ain't seen the sunshine
Since, I don't know when
I'm stuck in Folsom Prison
And time keeps draggin' on
But that train keeps a-rollin'
On down to San Antone*

*When I was just a baby
My Mama told me, "Son
Always be a good boy
Don't ever play with guns,"
But I shot a man in Reno
Just to watch him die
When I hear that whistle blowin'
I hang my head and cry*

HammerFall - "Renegade"

Power Metal from the "Any Means Necessary" EP (2009)

I used to think this band was da shit when I was first getting into Metal, but times and opinions have changed since then. I still certainly enjoy a lot of their songs, but they just seem a little generic and on top of that Joacim Cans' vocals pale in comparison to most other's in the genre.

Listen to Helloween, the German answer to Iron Maiden, instead. Hammerfall stole pretty much their sound and made a career out of it.

U2 - The Wanderer

From *Zooropa* (1993)

*I went out walking
Through streets paved with gold
Lifted some stones
Saw the skin and bones
Of a city without a soul
I went out walking
Under an atomic sky
Where the ground won't turn
And the rain it burns
Like the tears when I said goodbye*

*Yeah I went with nothing
Nothing but the thought of you
I went wandering*

*I went drifting
Through the capitals of tin
Where men can't walk
Or freely talk
And sons turn their fathers in
I stopped outside a church house
Where the citizens like to sit
They say they want the kingdom
But they don't want God in it*
