Pay deduction, and likely rehabilitation for leading such a cult. Joining a cult isn't technically illegal, though you may be sent to rehabilitation.

Conspiring against the government.

Let not the stupid rule over us! Let not the stupid divide us! Let not the politicians deceive us! Fight for your future!

Up to 3 years in labor camp. Before arresting you, you may be beaten with impunity (even to death), by a mob of enraged nationalists.

~~Getting pelted with a bigger stone~~

Jokes aside, they would be detained and jailed without trial, sentenced to maybe 2-10 years without bond. Depends on motivation and injury, though killing said leader would be an express ticket to the (metaphorical) gallows on death row.

What about... Jaywalking?

Essentially kidnapping. It's a crime that will land the people behind bars no more than 30 years and whipping of 50 strokes. If the victim were to pass away or get hurt physically and mentally in the process, the punishment will be much more severe with a life sentence given without parole and possibly a death penalty too.

Depends on the severity, but the punishments are either chemical castration with 10 years of jail time per victim or capital punishment.

Mooning in the parliament.

Depends on who's mooning it. If senator/parliament staff, instant firing and notice to never work in the parliament again. If citizen, 1 year in jail.

Citizens would resort to removing one's kneecaps. The state however would arrest you for dumping, hold a trial and later cast you off to a cell for several years, depending on the items in question and who owns the property... Plus another few years for slander and/or defamation.
