I'm vehemently against a couple laws, most notably no abortion, corporeal punishment, and capitalism. The varying causes of death aren't ideal either, and I'm not a fan of the wealth gap. Absolutely not, if I could pick somewhere else.

No, I would not.

The **North Sea Realm**, colloquially known as **Northaria**, established 1421 A.D. A British-Nordic nation with strong democratic traditions and an elective monarchy.

We use NS stats, with the exception of tax rates and the related stats. The Northarian population is an estimated 75.7 million.

Member and leader of the **Oceanic Treaty Association** and the **Arctic Council**,

current president of the **Western European Union**.

I reject anything and everything political that I posted on here prior to 2019.

Considering their NS stats I would not. Especially for their country is in the top %1 among the most Charmless. Also their not allocating funds for health. Their having Corporal Punishment and not allowing abortions are also some reasons for not to live there for us
