Yeah I think the only time people actually *notice* WA stat changes is when, say, their Civil Rights stat is just barely within one description and a WA resolution passes and lowers Civil Rights slightly and it causes them to go back into the lower category and they make a thread like 'Why did my Civil Rights drop suddenly? I haven't answered any issues?'

Personally guilty of the every rp post being essays part. Can't help it when you just got that lot of things to say in a post, whether it be lengthy explanations or just descriptions of the surroundings..

I'm still obsessed with Super Mario World, so if I'm still obsessed with an SNES game then I don't think Laka would outgrow their "right-wing extremist" phase.
