Megadeth - Die Dead Enough

*Oh, I can't punch hard enough and I run
I can't kick high enough and I run
I can't shoot straight enough and I run
I can't hold on enough and I run
Oh, I can't stay down enough and I run
I can't take pain enough and I run
I can't bleed fast enough
I can't die dead enough*

everyone knows that quote, "I know not what weapons World War Three will be fought, but World War Four will be fought with sticks and stones," but in a way it's optimistic and inspiring because it suggests that even after destroying civilization and returning to the stone age we'll still be sufficiently globalized and bellicose to have another world war right then and there
