The International Racist Association (A racing association which is very unfortunately named) notices that all of their race cars were stolen, so they send a bunch of Racist Enforcers to attack Racer. They show up at his door demanding all their cars back.

Racer and kitten throw an explosive yarn ball out of the cell, blowing off the cell door. They escape the prison in a random Ferrari parked outside.

When life gives you lemons, don't make lemonade. Make life take the lemons back! Get mad! I don't want your damn lemons, what the hell am I supposed to do with these? Demand to see life's manager! Make life rue the day it thought it could give Cave Johnson lemons! Do you know who I am? I'm the man who's gonna burn your house down! With the lemons! I'm gonna get my engineers to invent a combustible lemon that burns your house down!
