R. Crumb and His Cheap Suit Serenaders - *Singing In The Bathtub*
(Yes, the Mr. Natural Robert Crumb)

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

"Just Before The Battle, Mother"

I remember hearing this for the first time in fifth grade, but it was a children's chorus sort of version. Both are equally emotional, I'd say.
