F7's popular girl archetype. Well known.

□ The Kingdom of Frisemark □

"From this day forward, I shall take up all the empire in my embrace. For I am father of the empire, as I am father to all creation. I will suffer no tired institution nor petty bureaucrat to stand between me and my children. I am the perfect loving god, and all will tremble to know me."

Extremely well known. Yes, they've only just recently started to post again on the forums, just like me, but they have gained their own right to fame in a month.

Well known, not as much as Frisemark though, but still well known.
Mostly known for their poor grammar, though.

Very very well known. Especially to me. They are a hallmark F7er icon now. Up there with Frisemark, Hiramland, Arpasia and a couple more i occasionally frequently. The above nation is also in some other forums other than F7
