CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

I will not apologize for being a European. I do not feel guilt over fighting for the good of my people and my country even if it doesn't engender good feelings in some people out there. Britain awake. We can be glorious.

pro: Ethno-Nationalism, Western Civilization, Paganism, law and order, authoritarianism

Anti: Communism, Capitalism, Social Justice, Immigration, Islam, Israel, Christianity, Communist China

Neutral: Your feelings
