The demigod dies from the stabbing of the "man" from Birmingham. The Brazilian mythomaniac survives but is deeply saddened by the death of his friend, and, so he decides to go to a special place for special people just to drown his sorrows in whiskey with coconut water.

Merulla is the land of the brave, the fair and of the heroes.

A great kingdom consisting of fifteen federative like states, with a decentralized power, where the real king is the Merullean people.

Come and discover Merulla, where the waves are born.
