Together for Meadowfields forms coalition with the Communist Movement in light of a record-breaking election, with over 42 political parties joining the House of Assembly.

are they even remotely similar in platform?

Ah, the corporation! Lovely ain't it! A inherently autocratic organization blindly worshipped by nimwits worldwide as a force of freedom. Somehow not understanding it merely heralds the return of statist control under a different name. Ejya might not have much loyalty to it, but an opportunity to get on top is always welcome and to do it under the 'guise' of upholding liberty makes it all the more sweeter.

Together for Meadowfields is socialist, Communist Movement is communist, Communist Movement had to moderatize their platform a bit because the only other choice to get a 60% (not 50%) majority was to ally with Together for Meadowfields's sworn enemies, the center-right alliance We Can. /skipme
