It's one of my favorite death albums. Sure it's not Scream Bloody Gore but still.

It's one of my favorite death albums. Sure it's not Scream Bloody Gore but still.

Most people seem unaware of its existence. At least, in comparison to other Death albums.

According to my ratings, Scream Bloody Gore is easily the worst Death album at 6/10. All of their others are at least a 7.5.

Amon Amarth - "Under The Northern Star"

First three albums and Individual Thought Patterns are tie in my books ☐

Their last album was their worst one at 9.3
