The Ecstasy Of Flight (I Love The Night) - Chris de Burgh.  
Wow. 55 plays in less than 30 hours.

I sometimes have my "One Song To Rule Them All" playlist play all night, because I set up some song to play while I sleep ☐. I don't even want to know how many plays that gets.....

Listening to the same.

I usually just listen to a playlist of 75 songs, so when I decide to go and listen to the other 107 songs in my larger playlist, I sometimes find that I'm listening to some of them in a new light. Then I tend to just listen to them again and again and again. But I never play music if I'm not able to listen to it.

Turning Round - Chris de Burgh

This is my version of listening to them live since I can't go see them live, due to tickets selling out way too damn fast in Seattle.

I actually quite like this. My favorite of the 2 Icelandic metal bands shown to me.

Edit: God damn Iceland's beautiful.

Black Out, David Bowie.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
