"Typhon attempted to overthrow Zeus for the supremacy of the cosmos. The two fought a cataclysmic battle, which Zeus finally won with the aid of his thunderbolts. Defeated, Typhon was cast into Tartarus, or buried underneath Mount Etna, or in later accounts, the island of Ischia."
So Typhon lost to Zeus, so I'm going to the 2nd Nation Above Me.

Emergency Contraceptives 🤔

He won the first time. Zeus only won in the rematch.
Actually try to read the mythology instead of the TL;DR of wikipedia.

The panic from the bomb dropping causes everyone to freak out including the people in there massive underground nuclear bomb storage that if a generator isn't constantly cranked a nuke will blow up causing the entire storage of 5 million nukes to explode

His company failing and him dying of starvation while being poor

Ittonia, an island at the northernmost of the north sea experiencing great history, and culture

From the Prussian colonization era to the discovery of Haeven (Now dying) This nation developed itself and doesn't hesitate continuing! Now, we're trying to do our best in this great world. (Even though it doesn't always work out, LOL)

So now, we honorably sign this post in the name of our nation: The Republic of Ittonia
