6.8/10

Sweitchland is a nation based on the Texan Coast with booming economics and a fuckton amount of military equipment. Our timeline is set "historically", meaning our nation is based in the 2020's.

2nd Mexican-Kentucket War: AMDB12's and Sweitch 1's pour over the city of Nogales as a border conflict quickly turns into a Mexican invasion.

Generic News: Eronva man in Northern Avondale raids a automobile center, drives 40 miles to Kentucket. Claims he was running from a cloud that looked like a gun.

The Sith Empire is a force of dominance, an authoritarian state forged from

militarism, slavery and the dark side of the Force. United under a single Empress, her Dark Council and by the Empire's Wrath, ruled by the Force-sensitive members of the Sith Order and supported by countless loyal citizens, the Empire forsakes the freedoms offered by the Republic in favor of strength and order. Aiming to take revenge on the Republic for its exile centuries ago, the Sith Empire will stop at nothing to become the greatest power in the galaxy.

Skipping Kordavail since that's just a photograph.

On Fallen Albali... 11/10 purely because korra-shipping is a re-opening of the wound in creation which is the Legend of Korra, the Avatar franchise concluded on July 19, 2008. There is no "sequel".
