□□□□□□ / □□□□ - □□□□

I don't know what that means either, but it seems to be yet another take on Cirnos (from Touhou) theme.

Christopher Young's "The Hellbound Heart"... wonderfully morose orchestral...

<http://www.youtube.com/watch?v=t7IAFSan4fg>

Followed by a bit more boisterous tune, Pig Destroyer's "Baltimore Strangler"...

Because moodswings.

More teenage drivel turned into death metal. Because it sustains me.

And metalcore Rock Lobster. Because it is morally justified.

Note: Before 2480, Olwe was called Athan. If you see this word in a thread, it's because you mentioned a year incompatible with Olwe in that thread but still made it open to all techs and therefore are allowing Athan's magic.

[Weezer - Island in the Sun](#)

Your nation is like a son. What it does right is your merit, as well as what it does wrong is your fault. When you praise it, be lucid and avoid exaggeration. Praising it too much can make it indolent. On the other hand, when you criticize it, be harsh, but do not ridicule it. Do your best to improve it, not through derision or disdain, but through good examples and dedication.

roki@ - □□□□□□□

This time it's a remix of the Prismriver Sisters theme - again, Touhou.

I think throwing some 230GB of touhou on my previous 20GB music library might have broken the random function a bit.
