7/10. Although it contains my favorite color, the black mixed in with it gives me the impression of an evil combination. Plus, a man riding a horse with a sword can be off putting.

A country with a corrupt government comes to mind when I see the flag, but they aren't evil to the point of attacking other nations

8/10 for failing to make the star a different color from the stripe. That causes me undue pain, suffering, strife, and turmoil.

Godulan Puppet #2, RPing as technologically advanced tribal society founded by mongols and vikings (and later with multiple other Asian and Native American cultures) motivated by an intrinsic devotion to the spirit of competition. They'll walk softly, talk softly, and make soothing noises as they stab you in the back and take your stuff... unless you're another Caleshan, whereupon they'll only stab you in the back *figuratively*!

Used NS stats: Population. That's it. Anything else not stated in the factbooks is not used.
