Shint(iddie)o

We stand not for kings and for lords, but against them. We fight not for race and oppression, but to smash them. We struggle to bring freedom back in the hands of the people, on the riverbanks, up in the mountains, and out on the sea.

The point is not to make a perfect world, just a better one - and that is difficult enough.

It is very hard to say but based on the flag the religion is either a hyper-atheist or scientific cultural "belief" of progress like accelerationism in Red Flood (a mod for hoi4). OR it is some form of tribalistic beleif

[The only good communist is a dead one. Thankfully for this planet full of ingrates, we have created plenty of those. In fact, most of them are in the Sea of Dread, used as food for the carnivorous beasts of the ocean. And they say we didn't do Mother Nature any favors.]
