I like the love songs that use the "love interest" as a metaphor for something else though. It's a lot less corny.

That is weird.

In my case it wasn't even a page I pulled up...I was going through meme pics on Google. Maybe it was just being oversensitive.

Kanye is ok I guess.

His technical ability as a rapper isn't that great, but the man's artistry is amazing.

But yeah, Wu-Tang and Pac (and old school hip hop in general) are the shit. ☐

I just finished listening to Edguy's "*Hellfire Club*" album. It is easily my favourite album ever... 10/10 for sure!

Now I am listening to Iced Earth's "*The Glorious Burden*" album.

"Give me liberty, or give me death" - Classic Patrick Henry quote right there, sang in one of the songs named "*Declaration Day*".
