"Sublimation at Zero Hour" by Immundus

Great dark ambient.

I like it. There's a lot of 'eh' ambient, just because there's nothing exciting to it. But I like that. I especially like dark ambient.

Here's a couple of good dark ambient songs for you:
[Sigur Ros-Kvistur](#). One of the songs I got for pre-ordering their new album.

[Sigur Ros-Dauðalagið](#). This one has it's more 'upbeat' moments, but it's pretty dark and ambient.

Can't think of any other good ones on the top of my head.

[Blackfield-Epidemic](#).

Teitanblood - Black Pasch (Carnivore Eucharist)

The language of *Draugaborg* is *Draugskur*. The demonym is *Draugborgskúr*(male) or *Draugborgskö* (female), both plural and singular. The adjective is *Draugaborgar*. *Draugskur* is a constructed and artistic language created by me, and is based mainly on Icelandic and Russian. Please note that its systems and grammar may be modified, so certain posts will be rendered void in retrospect.

Great dark ambient.

Are you interested in more dark ambient? If so, I recommend Nox Arcana and Troum.

Coyote Oldman - Rainbird
