Seen their name on a decent chunk of F7 threads so I'd say they're relatively notable.

They have been around for a while and have a unique name so they are probably known by a good chunk of nations.

Don't know them myself, but they have a bit over 2500 posts since last November, so I'd say 'likely somewhat known in whatever part of the forums they frequent the most'.

Given they've been here so long and I've seen them everywhere on F7 already despite the short time I've been here, they are definitely very well known.

Factbooks and dispatches (which are works in progress) are the primary source of information for my nation. I try to have my stats match my idea of my nation but I think policies are the stat I can control the most.

I don't dislike anyone here. Agree or disagree, we're all compadres. :-)

Pretty much well known around F7, despite it being a fairly newer nation.
