Would be 0/10, but the soldier in the background makes it 9/10.

9/10 As cartoonishly evil as Fallout 3 raiders

**The Avant-Gardist State of Patagonia** ~~~ *Gauchos and Mapuches, orgies and parties, avant-garde art, futurism, syndicalism, the New Man, general strikes, the glorification of violence, spiritual nationalism, esoteric occultism, CIA spooks, Spartanian homosexuality, public sodomy, and more*

#### Triomphe du Surréalisme (1968)

- There are many things said about Patagonia but few actually know what goes on behind the Andes mountains. Tales of human depravation and man's inner darkest self run wild. A place where avant-garde culture flourish and the artist don't fear the censor. Where all live bold and free under the gaze of the Patron. Yet all dreams will come to an end soon...
- Not expecting an essay. Just a couple of sentences that shows that you know my work well enough

Puppet of [Athenis](#) **POLAND IS NOT YET LOST!** **Year: 1961**

In the mid 20th century, Hitler's armies stormed across Europe. As the last beacons against tyranny fell, those who still believed in Poland would never forget the land and history from which they came from, no matter how hard the Nazis try to erase it. What the foreign power has seized from us, we shall recapture with a sabre.

Evi?! Not at all! 0/10! Just read the reviews!

"SOOO many varieties of exotic wildlife to see! An absolute MUST travel location!"

"Me and my wife couldn't stop radiating joy as soon as we stepped foot on it!"

"As a gun enthusiast, it was AMAZING how many opportunities there were to show off firearms!"

"I'm a people person, and there were just so many interesting people to talk to; not just that, I got to help them all in some way!"

~~"Another settlement needs your help"~~
