Djungeltrubaduren - *Bananbåt*

20 years in Iraq and Afghanistan, 10 years in Syria, constant brinksmanship with Iran, \$230 billion^[1] and counting in military and economic aid to a first-world country, and the agitation of Islamic extremism^[2] causing tens of thousands of civilian deaths is not enough. America **MUST** do more for Israel. If you ask what we get in exchange, you are an anti-semite.

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.
--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.
