Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.
