I usually enjoy a variety of music. 50's, 60's, 70's, 80', 90's, 00'. I enjoy SOME of the newer music but I rarely listen to the radio because I don't find those newer songs enjoyable. I like rock and roll. Heavy metal..country..MCR, ect. I have a few german songs that i enjoy and some anime songs.

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.
--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.
