Corrupt Dictatorship

“

A totalitarian, communistic, fascist society ruled by a ruthless dictator known as Big Brother, the Glorious Triumvir Donovan Xavier. The omnipresent and endlessly oppressive government is made up of four ministries: The Ministry of Truth, the Ministry of Love, the Ministry of Peace, and the Ministry of Surplus.

Takes up present-day Russia, China, Mongolia, Vietnam, and Taiwan

Huh, that's actually really interesting, considering that Oceania (I know the AN isn't Oceania but shares similarities like Big Brother) was made up of different countries than those listed.

I get eco-terrorism vibes from your nation.

Black and Green makes me think more of eco-fascism or an African gold mining nation than eco-terrorism tbh.

BN, please do something else than the armed forces count. It only constitutes for 5% of the population and was from past conscription anyways, it's just a way to show that the Defense Forces stats isn't canon, albeit the Pacifism stat still being that high.
