Disregard the "1's" in my name.

This nation vaguely represents my political views, but is not intended as social or political commentary.

I'm just here to RP for the most part, and give out awesome advice. I don't want trouble.

This nation exists in the □□□□□□ Datenshi No Megami universe. The current year is 2014.

This nation is in permanent armed neutrality. We can't attack other nations unless they invade us first.

Sorry for the long wait, but my new nation is still a slow work in progress. Completely new map than this one has.

Things to keep in mind:

- This isn't a single nation, but a whole planet full of many nations. I will usually reference a certain nation when posting.
- The flag being used is just to represent that it is a planet, it is not used at all in the 'canon', as there is no one flag for the planet Instead I chose to just use an image of the planet.

- I've referenced the prequels 124 times on F7.
