Right-wing Utopia

The High Kingdom of Tír An Aonaigh

A loose confederation of Irish-speaking states on a small island south of Ireland, which the putrid Tudors failed to conquer. One of the last bastions of Celtic culture following a devastating genocide by English nationalists in 1503.

Guess I'll have to repeat the rule again which used to be the standard for previous editions of the "What Music Are You Listening to?" series: *Please refrain from posting several times in a row if no one else is posting in between. That is considered spam. You can always edit your latest post to add a new song.* Also:

Spike Jones and His City Slickers - *Nutcracker Suite*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.
