Trying to get some of these general rock bands out of the way that I
have backed up. Which isn't many, but they have a LOT of songs,
the ones I do have backed up.

Though, of course, Beck is much more then simply rock.

Beck-Defriended (Extended Version)

I know t he 3 minute version...this version is 14 minutes long...

Thomas Dolby - She Blinded Me With Science

Республіка Рюрідова - Королівство Вілкія

"For I was hungry and you gave me something to eat; I was thirsty and you gave me something to drink; I was a stranger and you invited me in; I needed clothes and you clothed me; I was sick and you looked after me; I was in prison and you came to visit me... Truly, whatever you did for one of the least of my brothers and sisters, you did for me."
