Since AN didn't state a crime... I'll respond to this. Edit: I got Ninja'd in an edit from AN.

Outside of the fact you could get shot by the owner/s of the property, you'll get forcibly removed and fined.

Edit: Nor a crime, but you could easily get beaten by some particularly nationalist person or group, so not recomendable.

Destruction of property, depends on what/how much was destroyed.
Let's just say you stomped on an old ladies' carrot farm, smashed her

spring decorations, and wrecked her mailbox (poor Margaret...), that would probably be 5 months in jail, a 500 dollar fine, and a week of community service.

A fine of 12% of their annual income, forfeiture of all winnings, a possible jail term of up to 2 years, and permanent banning from all National and International sporting events under the Kerlodi flag. We don't like cheaters.

AN: Tax fraud in the Kerlodi Criminal Treatises, is classified into 3 degrees, or "fractions".

1st Fraction Fraud is reserved for severe, egregious, long-term

instances of pre-planned fraud, with damages amounting to over 2 million Loria. Punishable by a fine of up to 10 million Loria (20 million USD), forfeiture of all income for a set period, as well as possible life in prison with no chance of parole.

2nd Fraction Fraud is for fraud that is conducted by public officers, which is punishable by a fine of up to 2 million Loria, forfeiture of income or up to 30 years in prison.

3rd Fraction Fraud is for everything else, and carries a fine of up to 500,000 Loria, forfeiture of income, or a maximum of 5 years in prison.

Counterintelligence doesn't care if you are a bad spy- they will indefinitely detain the perp in order to get who is behind him, probably executing the perpetrator after all of the necessary information will be tortured out of them. Their relatives may be asked to commit honorable death, if it will be dicsovered that they knew about perp being a spy but did not report it.

Unlawful, and may result in the culprit being tried by military or civilian courts, usually leading to a dishonorable discharge, a hefty fine and a few years in the prison at the lowest.
