The only crime in SWR is leaving the SWR. It's punishable by Exile... Far worst than a Death sentence.

In some provinces fines, in most of them one or two weeks of jail time plus fines and/or community service. Penalties for public nudity.

Owning a gun with no registration.

Because alligators can be found throughout Texas, you'd be fined up to \$500 for 'disturbing wildlife'. The only exception to this rule is if the alligator was attacking you or another person. Then you wouldn't be fined, because you saved someone (or yourself).

That's it?

Punishment is nothing. The law isn't enforced here. Although if unofficially the politician happened to be a gang leader or very influential in a gang, you could have your house destroyed and burned down.

What I thought they meant: Flashbanging cats is animal abuse, and as such, 2.5 years.

What they actually meant: 3 months for public indecency.

Flashbanging a dog?

Not really an exact rule here, but would probably land under animal abuse, which is strictly forbidden in Portzania. It would all add up to about 2 years of Penal labour due to the unregulated civilian use of a flashbang also.

Tax evasion?
