Damn, one of his other more recent albums (it's 10 years old) is rated #11th on RYM. Gonna need to give this one a listen.

Outkast - Return Of The "G"

First Outkast song I've heard that I like.  
But, I've only heard a few.

7.4/10 for this album. I think I came to the conclusion that I'm just not that big a fan of Outkast. ☐

Yup:). We RP together a lot on this forum and everything (and on off-site forums). As far as siblings go, we get along well ☐

I love how my governments (In Corrian) way of taking care of whiny meat eaters complaining about mandatory vegetarianism (My nation is a bit extreme in ways) is to make mandatory Veganism....Done it like twice now.

Also, people complained about bicyclists....So they banned cars.

Welcome to Corrian!

Robin Obama....I'm having nice people names right now...

Also, I just noticed earlier that I passed 30,000 posts....like 300 posts ago. I clearly don't pay a lot of attention to my post count.

Probably like 25% of that is in this thread alone....And a lot in various RP's....Including some before the current RP forum section period.

Tinashe – My High

So, RYM blocked the image to this mixtape because I'm underage...apparently a nude picture of someone's **BACK** is too explicit to show. ☐
