Tool - *Eulogy*

*Yeah, standing above the crowd
He had a voice that was strong and loud and I
Swallowed his facade because I'm so
Eager to identify with
Someone above the ground
Someone who seemed to feel the same
Someone prepared to lead the way, and
Someone who would die for me*

Oh just a bit of Kpop

The song: widaehan **gimjeong-eun**dongji ulineun dangsinbakk-e

Ok the song is "we will follow you only" and it's from north korea

Highly democratic and freedom-loving population, what if Mongolia and Japan had a child who also has an Indian driving instructor, increasing tensions between Market Socialists and Maoists, eats the aeugh fish, pets the aeugh fish, Aruday metro train doors have a tendency to amputate riders
