Fascist Theocracy, run by an atheistic, nihilist.

Last edited by **Raskana** on Tue Apr 05, 2022 10:23 am, edited 1 time in total.

Pray for Ukraine and Moldova.

Stalinist propaganda and other such ideologies should be banned.

Remember the Massacres at Huế, Thanh Mỹ, Đức Dục, and the Shelling of Highway 1.

National syndicalist dictatorship

The Dominion of Upper Nan: a technologically-advanced technocratic, national-syndicalist state where the people are mostly left to their own devices and given generous benefits so long as they obey the (numerous) laws and don't get any clever ideas about challenging the State's authority or bringing back democracy.

Largely inspired by *Judge Dredd*, Plato's *Republic*, and the political philosophies of Juan Perón and (to a lesser extent) António de Oliveira Salazar.

One-party communist dictatorship.

ANDOUR ETERNAL!

A fictional nation situated in an archipelago in between the British Isles and Scandinavia set in the Napoleonic Era, the Kingdom of Andour is a society that exists for a single purpose. Spurred on by hatred of their neighbors and an incessant need to satisfy their beliefs, the independent villages and cities from the freezing blizzards of Vaspiria to the sub-arctic alpine fjords of Fjordland united under a High King. The High King now leads a nation destined to protect the people of the Andouran Isles and to cleanse Europe of its malfeasance.
