Islamic Holy Sites is probably well-known in the forum rp side of things. I've seen them on RP threads a number of times. Doubt anyone outside forum rp areas knows them pretty well, AFAIK.

I have seen them before a few years ago but they've only really begun to make their presence known in recent days so I'd say somewhat well-known for those frequented F7 in 2019 but not so much amongst newbies.

I feel like they're in the 'oh hey it's that guy' tier of being known. Not somebody who you'd immediately name if asked to name a known NSer but someone where you'd see their flag and go 'yeah I know them'.

I suppose they're pretty well-known in their region. The legality of their nation name in certain regions is dubious, including mine.
