Gambling

Autore è possibile, Entro il 2025, forse

In Italian it means

Anything is possible, within our limitations

Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you are very cultured.

Australasia After a dictatorship, and a coup by radical, theocratic libertarians,

It is now a plutocratic, theocratic republic, under The Prosperity, Basically capitalism as a religion.

I use NS stats
