Weird Al Yankovic - *Smells Like Nirvana*

He should've made it some deodorant brand instead of Nirvana, because Kurt Cobain got the song title after seeing someone spray "Kurt smells like Teen Spirit" (Teen Spirit being a deodorant brand for teen girls) on his wall. I think it would've clever if he did "Smells Like Axe" or "Smells Like Old Spice" or something like that. ☐

Take a listen to R.E.M.'s album *Reveal*. Some people say it's not very good, some say it's underrated. I just think it's interesting how different it is from their early music.

I really think you might be one of my favourite people on this website. If you don't mind, do you have any recommendations for further listening, or should I just jump in with the debut?

Jump in!

Thank you again. I post links to the songs, not just titles, for others to enjoy. I am blessed with a good ear and instant recall of years of listening and coupled with Youtube and other sites I am enabled. You can backtrack the thread, but I will continue to provide the tunes. Sometimes I get into jags on progressive or new wave or just about anything, except disco. I love the period between 1976 and 1986 in particular for new wave, modern rock, alternative. Anollasia can argue, lol, which is which and why, but I love it all. It is truly nice for you to speak up as it is encouraging...

Whiter Stripes - [Seven Nation Army](#)

a classic guitar rift combined with a badass beat that embellishes a lyrically exceptional piece.

I'm gonna fight 'em off
A seven nation army couldn't hold me back
They're gonna rip it off
Taking their time right behind my back

And I'm talking to myself at night
Because I can't forget
Back and forth through my mind
Behind a cigarette
And the message coming from my eyes
Says leave it alone

Don't want to hear about it
Every single one's got a story to tell
Everyone knows about it
From the Queen of England to the hounds of hell

And if I catch it coming back my way
I'm gonna serve it to you
And that ain't what you want to hear
But thats what I'll do
And the feeling coming from my bones
Says find a home

I'm going to Wichita
Far from this opera for evermore
I'm gonna work the straw
Make the sweat drip out of every pore
And I'm bleeding, and I'm bleeding, and I'm bleeding
Right before the lord
All the words are gonna bleed from me
And I will sing no more
And the stains coming from my blood
Tell me go back home
