Hey hey **Perikuresu**! It's been a while since we've last interacted, has it not?

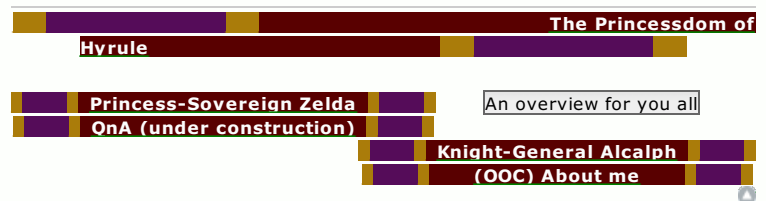

How's life been treating you since then? I hope the answer is "fabulously", because if not then... Well, that's no good is it?

Alright then, so how well known do I think **Perikuresu** is to Forum 7 and perhaps beyond?

Well, of course I really don't have any knowledge on the latter part, but I personally think that for a lot of people on F7 the name "**Perikuresu**" is really quite memorable, and not just because it's quite the unique name in general! They've been present here quite a few times for quite a long time, and really they've been completely inoffensive and polite and kind throughout all the time they've been here! I can't speak much for AN[*1] in terms of the actual nation because I'll guiltily admit, I've barely even looked at it, but from what little I know it does stand out in many ways from the average MT nation without being too bonkers, and that's quite the achievement in and of itself!

Anyways, their presence on F7 is definitely felt quite a bit, and it'd take quite the new guy/gal to not recognise the AN
And with that, I bid you farewell **Perikuresu**! Have a great rest of your day! ^ ^

The Hyrulean Princessdom. From what I can tell, you practically monopolize *The Legend of Zelda*-themed nations on this site, since I don't think I've seen a single other one other than you last particularly long or have any kind of impact. That alone gives you an automatic ticket to being recognized, since you can short-handedly go 'oh yeah, that's the *Legend of Zelda* guy' if you'd somehow forgotten your name.

Of course, that'd be hard to do, since you're one of the site's resident effortposters and you're known for giving very friendly and very detailed mini-appraisals that always hit a minimum of two paragraphs, regardless of the thread and the general effort most seem to be putting in their responses. Even on this thread, where most just go 'very well known' or some other one-liner response, you go above and beyond. That alone makes you extremely well known, pretty much just because you have a 'signature' way of posting that others can't emulate.

Granted, this is just one of your nations, so I'm sure you could be seen as more well-known as one of those as opposed to this one, I'm not very good at judging that metric. But as a user, you've certainly earned yourself a place of respect and recognition to most as an enjoyable effort-poster and a great user.

Very very well known, all around.
