current track: Six Wolves – Let's Buy Happiness

We in Gravonia have set our sights very low, so low in fact that even glory will have in it an echo of failure.

Abandon All Ships - [Megawacko 2.1](#)

It's not usually the kind of music I listen to but whatev.

My nation is not like my nation page at all, it contradicts itself, we don't EVER eat kangaroos, that's just very sad. Also vegetarianism is compulsory yet it still says it's the nation's favourite main course and all and stuff.
