I hope you have some beautiful children that die from cancer; I hope you catch Zika when your wife gets pregnant; I hope you win the lottery and die the next day, and your daughter has to see you getting lowered in your grave
Please stop calling me gay; I touched a willy in high school once and it was just a little mistake. So please stop calling me gay.

When you expect that sultry devil-girls which look like pr0n starlets are in charge, but get middle-age aunties with a thing for economic computer models that want the Soviet nuclear umbrella.

Forget Feyrisshire being "my nightmare personified", the instant introduction of succubi easily takes the cake.
