Dogs, by Pink Floyd.

Guitar solo gets me every. Single. Time.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

Adam vs. The Man

“ **The Empire of Pretantia wrote:**

[...] TLDR; welcome to the internet. Bicker or GTFO.

"Why is self-control, autonomy, such a threat to authority? Because the person who controls himself, who is his own master, has no need for an authority to be his master. This, then, renders authority unemployed. What is he to do if he cannot control others? To be sure, he could mind his own business. But that is a fatuous answer, for those who are satisfied to mind their own business do not aspire to become authorities." ~ Thomas Szasz

Zebrahead - Wannabe (Spice Girls Cover)

BTW this page is the same as my area code, hence why I'm playing a band from my town

NS regular since September 2009

Originally known as Peterbolton

Meat eater, not religious, and NOT straight edge. Deal with it.

I'm a guy, yes I know my name implies otherwise, but I don't care.

Yeah, my tastes are sorta all over the place, I like metal, punk, rap and industrial about equally, with some pretty heavy doses of 80s alternative (especially gloomy post-punk, and American post-hardcore like Fugazi).
