Very very well-known on F7 for their nice personality, great flag and well-written factbooks.

Not really known, but I've seen them around. I know that it's them based on their flag, but I'd say not widely known.

They don't seem very known

Factbooks and dispatches (which are works in progress) are the primary source of information for my nation. I try to have my stats match my idea of my nation but I think policies are the stat I can control the most.

I don't dislike anyone here. Agree or disagree, we're all compadres. :-)

Otherwise give me time.
