Reluctantly going with Justice Party of Zarulia. Please at least give some indication on the ideologies of your parties, since "absolute authoritarian in terms of economics." isn't much to go on.

it's still WIP (work in progress)
im going to do a bunch of political test with each parties' beliefs, you gotta wait man

□□□□□□□□

If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.
