Alan Walker and David Whistle — Routine

<https://www.youtube.com/watch?v=Mw9U7FPaZho>

Peter Kropotkin wrote, "We accustom ourselves and our children to hypocrisy, to the practice of a double-faced morality. And since the brain is ill at ease among lies, we cheat ourselves with sophistry. Hypocrisy and sophistry become the second nature of the civilized man. But a society cannot live thus; it must return to truth or cease to exist." ***The Conquest of Bread (1892)***

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.
